ARAVIND MEDICAL RESEARCH FOUNDATION

Advertisement for Project Staff Positions under the Indian Council of Medical Research-Centre for Advanced Research (ICMR-CAR) Programme

The Aravind Medical Research Foundation (AMRF), Madurai, is the research arm of the Aravind Eye Care System. AMRF is committed to advancing scientific knowledge through cutting-edge basic and translational research in vision science. Scholars at AMRF can register for Ph.D. under collaborating universities and work in various fields, including biomedical sciences, molecular biology, biotechnology, microbiology and bioinformatics. For more details, visit www.amrf.org.in.

Applications are invited from eligible candidates for the following temporary positions under the ICMR-CAR Project titled "Early Detection of Open Angle Glaucoma in Diabetes Patients with Increasing Age and Family History of Glaucoma", funded by the Indian Council of Medical Research (ICMR), Government of India, for five years. Fellowships will be paid in accordance with ICMR norms and will be available until project completion from the date of joining, with a 5% increment in emoluments every two years, subject to satisfactory performance.
