

**ARAVIND MEDICAL RESEARCH FOUNDATION**  
**No.1, Anna Nagar, Madurai – 625 020**  
**Advertisement for recruitment of Project Technical Support III position**

Applications are invited for two Project Technical Support III positions from eligible candidates interested in research on a corneal disorder known as Keratoconus, at the Department of Proteomics, Aravind Medical Research Foundation. The project titled “Identification of regulatory tear microRNAs during keratoconus progression and evaluation of affected microRNAs in keratoconus corneas by the application of a therapeutic cross-linker” is funded for 3 years by Indian Council of Medical Research (ICMR), Govt. of India. The project will be carried out under the guidance of Dr. O.G. Ramprasad, Scientist at the Department of Proteomics.

**Qualification:**

- M.Sc/M.Tech in Life Sciences or Biotechnology
- Prior experience in cell culture, molecular biology techniques and an interest in bioinformatics data analysis will be preferred.
- Qualification in any national examination like CSIR/UGC, ICMR, etc., will be desired.

**Fellowship:** Rs. 28,000 + 20% HRA per month (according to ICMR norms)

**Application instructions:**

- Candidates are requested to apply through online by filling this Google form: <https://forms.gle/xE7hMAj3gBcWpZDt8>
- Last date for applying: **January 31, 2026.**
- For any questions, contact: **Dr. Ramprasad O.G** at [ramprasad@aravind.org](mailto:ramprasad@aravind.org)

**General information:**

- Shortlisted candidates will be informed through e-mail regarding the date of interview. The interview will take place in Madurai. No TA/DA will be paid for attending the interview.
- Candidates should bring original documents on educational qualifications, research experience, mark sheets of all examinations, project dissertations, etc. at the time of interview for verification
- Candidate should bring the original UGC/CSIR/GATE etc. certificate, if available at the time of interview.
